I would imagine that most people would learn to use this chatbot very quickly.	1 ☐	2 ☐	3 ☐	4 ☐	5 ☐

In one (or more) single word answers, describe the personality of the chatbot: Helpful, Friendly, Professional

In one (or more) single word answers, describe how you felt interacting with the chatbot: Confident, Satisfied

Use this space for any additional comments for feedback: The quick question buttons were very helpful and the interface looked professional. The chatbot knew detailed information about different regions of Nepal. I would use this as a starting point when planning a trip to Nepal.
